International Digital Welcome Weeks Winter Semester 2021/22

Dear new students,

We would like you to have a comfortable and enjoyable start in Magdeburg. This is why the IKUS initiative (Intercultural students), the International Office and the Studentenwerk have organised the International Welcome Weeks for the winter semester 2021/22 for the new international and German students. This is an opportunity for you to get to know the university and the city of Magdeburg as your place of study. You are cordially invited to join the orientation activities!

During our IKUS office hours, we will help you with any questions about the university and living in Magdeburg. For further information, please visit us on Facebook (IKUS Magdeburg) or on our website www.ikus.ovgu.de or email us at ikus@ovgu.de. For the latest information about the Welcome Week program and events during the semester, we recommend our new app "Welcome to OVGU" (available for Android and Apple).

Our Recommendation: We recommend you to arrive in Magdeburg even before the Welcome Weeks start, not only for you to get adjusted to the city of Magdeburg, but also because you will have to complete some tasks (e.g. enrolment or other administrative works) before the semester begins.

Attention: Special regulations apply to entry and quarantine for travelers from high-risk and virus mutation areas. Please inform yourself directly **BEFORE starting your journey** when you register for arrival online on the website www.einreiseanmeldung.de, which specific measures apply to you. **It is important to note that in the case of a quarantine requirement (10 days if you arrive from a high-risk area, 14 days if you arrive from a virus mutation area), one has to first complete the quarantine completely before being allowed to participate in daily life or in events, which are held in physical presence. Of course, the regulations valid at the time of entry have to always be observed!** Further information on the current high-risk areas and on the subject of quarantine can be found online at:

https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogebiete_neu.html.

*** These events will take place in presence. Due to the pandemic situation, the venue may change at short notice and will be announced before the event at www.ikus.ovgu.de and in our app "Welcome to OVGU"!**

Required registrations take place exclusively via our app "Welcome to OVGU"!
